THE BRYOLOGIST

Quarterly Journal of the
American Bryological Society

Editor
WILLIAM LOUIS CULBERSON

Volume 70
1967

Table of Contents

AHMANN, G. B. & ANNICK MATHEY. Lecanoric acid and some constituents of *Parmelia tinctorum* and *Pseudevernia intensa* 93

AHTI, T. Nomenclatural notes on *Cladonia delessertii* and *Cladonia alpicola* 104

ANDERSON, L. E. Reviews 134, 279

ANDERSON, R. A. Additions to the lichen flora of North America—II 339

BEDER, KAREN & R. T. OGILVIE. Additions to the lichen flora of Alberta 363

BEDNAR, T. W. Review 392

BIRD, C. D. The mosses collected by Thomas Drummond in western Canada, 1825–1827 262

BRASSARD, G. R. A contribution to the bryology of Melville Island, N.W.T. 347

———. New or additional moss records from Ellesmere Island, N.W.T. 251

BRODO, I. M. Lichens collected in Wisconsin on the 1965 Foray of the American Bryological Society 208

———. Review 135

CHOPRA, R. N. & A. RASHID. Apogamy in *Funaria hygrometrica* Hedw. 206

——— & URMILLA GUPTA. Dark-induction of buds in *Funaria hygrometrica* Hedw. 102

CHOPRA, R. S. & S. S. KUMAR. Cytological observations on some pleurocarpous mosses 167

CRANDALL, BARBARA. The sporophyte and sporeling of *Bryopteris filicina* (Sw.) Nees 423

CROSBY, M. R. Notes on the moss flora of Puerto Rico 122

——— & H. A. CRUM. Fifty-six mosses new to Nicaragua 365

——— & L. E. ANDERSON. The mosses of a disjunct hemlock stand in the piedmont of North Carolina 299

CRUM, H. *Barbula malagana*, a new species from Peru 235

———. Studies in North American Bryaceae I–II 106

——— & L. E. ANDERSON. The status of *Hylocomium splendens* var. *tenue* 98

——— & N. G. MILLER. Three propaguliferous Pohlias from Michigan 118

CULBERSON, CHICITA F. Some microchemical tests for two new lichen substances, scrobiculin and 4-O-methylphysodic acid 70

———. The chemical constituents of *Ramalina paludosa* 397

CULBERSON, W. L. Recent literature on lichens—61–64 ..... 130, 270, 385, 441

———. Reviews 136, 137, 280, 281, 391, 444

——— & CHICITA F. CULBERSON. A new taxonomy for the *Cetaria ciliaris* group 158

DICKSON, J. H. *Pseudoscleropodium purum* (Limpr.) Fleisch. on St. Helena and its arrival on Tristan da Cunha 267

ERIKSSON, MARGARET L. Additions to the Hepaticae of Texas 269

FORMAN, R. T. T. New and uncommon Wisconsin mosses 115

FULFORD, MARGARET. Recent literature on hepatics—50 127

———. Recent literature on mosses—73–74 ..... 127, 382

GALUN, MARGALITH. A new location for *Gonohymenia mesopotamica* J. Stein. 330

GILES, K. L. & K. E. VON MALTZAHN. Interaction of red, far-red, and blue light in cellular regeneration of leaves of *Mnium affine* 312

HALE, M. E., JR. New taxa in *Cetraria*, *Parmelia*, and *Parmeliopsis* 414

———. Review 393

HOLMEN, K. & G. W. SCOTTER. *Sphagnum* species of the Thelon River and Kaminuriak Lake region, Northwest Territories 432

HONG, W. S. Hepaticae of the Little Belt Mountains, Montana 369

IRELAND, R. R. Chromosome studies on mosses from the state of Washington—II 335

——— & W. B. SCHOFIELD. *Fissidens ventricosus* in North America 257

MAASS, W. S. G. Review 445

———. Studies on the taxonomy and distribution of *Sphagnum* III. Observations on *Sphagnum macrophyllum* in the northern part of its range 177
———. Studies on the taxonomy and distribution of *Sphagnum* V. A new species of *Sphagnum* from Quebec 193
McCULLOUGH, H. A. Foliose and fruticose lichens of the Valley and Ridge Province of Alabama 351
Members of the American Bryological Society—1967 373
MOORE, BARBARA J. *Ramalina paludosa*, a new species from Florida 315
News and Notes 137, 282, 394, 448
NORRIS, D. H. *Brachydon trichodes* new to the southern Appalachians 120
PAOLILLO, D. J., JR. & JUDITH A. REIGHARD. Ultrastructural features of some polytrichaceous moss leaves 61
POWELL, J. M. Some lichens and bryophytes from the Lake Hazen area, Ellesmere Island, N.W.T., Canada 246
PROSKAUER, J. Review 273
PYATT, F. B. The inhibitory influence of *Peltigera canina* on the germination of graminaceous seeds and the subsequent growth of the seedlings 326
RAO, D. N. & F. LEBLANC, S.C. Influence of an iron-sintering plant on corticolous epiphytes in Wawa, Ontario 141
REDFEARN, P. L., JR. Bryophytes from the Interior Highlands XII. A new species of *Zygodon* 333
REESE, W. D. Notes on Louisiana mosses—III 124
———. The discovery of *Tortula vectensis* in North America 112
Reviews 134, 275, 391, 444
RIDGWAY, J. E. Factors initiating antheridial formation in six Anthocerotales 203
ROBINSON, H. A new moss species and three new records from Maryland 323
———. Preliminary studies on the bryophytes of Columbia 1
———. Six new bryophytes from South America 317
ROSARIO, R. M. DEL. Some liverworts from the Philippines 360
RUDOLPH, E. D. Review 444
SCHUSTER, R. M. A note on the genus *Gymnocolea* Dum. 111
SMITH, D. R. New localities for Hawaiian mosses 237
STEERE, W. C. *Metaneckera*, nomen novum for *Neckeradelphus* Steere 343
THOMSON, J. W. The lichen genus *Baeomyces* in North America north of Mexico 285
VIERECK, L. A. Plants above 2,140 meters (7,000 feet) in the Alaska Range 345
VITT, D. H. The Hepaticae of the Pickle Springs area, southwestern Missouri 437
WALLER, W. T. & J. C. BASS. *Sphagnum cuspidatum* new to Kansas and Missouri 440
WEBER, W. A. A synopsis of the North American species of *Cyphelium* 197
——— & L. A. VIERECK. Lichens of Mt. McKinley National Park, Alaska 227
WHITE, R. A. Review 393
WHITTIER, H. O. & H. A. MILLER. Mosses of the Society Islands: *Fissidens* 76
ZANDER, R. The New World distribution of *Scopelophila* (= *Merceya*) 405
